

## **Funding for Ontario Athletes Competing in International Championships**

International Championships shall be defined as:

Events which are sanctioned by the World Squash Federation and which are considered by the WSF as world championships.

World Junior Boys Teams Championships

World Junior Girls Teams Championships

World Senior Men's Teams Championships

World Senior Women's Teams Championships

World University Championships

World Men's and Women's Open Doubles Championships (one male team, one women's team)

Funding would be allocated to Ontario athletes who have been selected to represent Canada by Squash Canada at World Championships. A selection process which is open, fair and transparent must have been used by Squash Canada.

### **Criteria for Funding**

1. must be a member in good standing of Squash Ontario
2. international event must be outside of Ontario
3. funding contingent on athletes not being fully funded by Squash Canada
4. athletes who meet the criteria as above and who would be participating in a recognized World Championship will be eligible for funding of up to \$300.00. Funding will not exceed athlete's costs after he/she receives funding from other sources

### **Application for Funding**

Athletes will be required to complete and submit an application form. Information to be provided will include but not be limited to details on other sources of funding being receiving by the athlete.

### **Program Duration**

The program will be reviewed on a year to year basis, after the annual audit has been completed and approved.
