

# JIM MASON JUNIOR FAIR PLAY AWARDS

Who was Jim Mason? And why are these Fair Play Awards named after him?

Jim Mason left an indelible mark on squash in Ontario at the junior level - his commitment to and passion for junior squash laid the groundwork for the programming which is in place now - he mentored coaches who carried the banner and he encouraged young athletes, many of whom went on to achieve national and international acclaim. But through it all, he believed in fair play - on the court and off the court.

*Fair Play - integrity, fairness and respect - these are the principles of fair play. It means showing respect for the rules - for the officials and their decisions - and respect for your opponent. It incorporates the concepts of friendship, respect for others and always playing within the right spirit. It is, in fact, more a way of thinking than a way of behaving.*

*Nominations for the Jim Mason Fair Play Awards can be submitted by anyone - a coach, an official, a parent, an athlete - if you know a boy or girl who exemplifies the tenets of fair play - who is a role model to younger athletes - who is an extraordinary ambassador for the game of squash - we want to recognize them!*
